## Western Counties Branch Meeting

22 November 2011, 6:00pm at  
The Exeter Golf & Country Club, Topsham Road, Exeter, EX2 7AE

**Speaker: Mr Peter D Fraser QC, Atkin Chambers**

*In a change to the published programme, we are now delighted to be welcoming Peter Fraser QC as our special guest speaker for our next meeting, Simon Lofthouse having become unavailable due to work commitments.*

*Like Simon, Peter is widely recognised as a leading domestic and international lawyer with particular expertise in civil engineering, construction, energy and professional negligence. Peter has handled many complex, high profile, high value cases in many jurisdictions and through the full panoply of resolution formats, including as a mediator for more than 10 years. His experience includes defending an authority against an £80M claim in adjudication so his talk is going to be one that should not be missed!*

Dinner with wine (or soft drinks) will be served at 8pm at the venue for those wishing to stay.

Please note future meeting / training dates:-

9 December – Arbitration surgery at Burwalls, Bristol

27 February – talk by John Tackaberry QC, at Clarke Willmott LLP, Bristol
